

SOSSA CROSS COUNTRY PLAYING REGULATIONS & COACHES INFORMATION

SOSAA playing regulations can be located at [cross_country.pdf \(sosaa.on.ca\)](https://www.sosaa.on.ca/cross_country.pdf)

To be eligible for competition, all student-athletes must appear on a team eligibility list via the OFSAA Hub (<https://ofsaa.athletesystems.ca/>). A completed eligibility list must be signed by the Principal and the Phys-Ed Head and available in the OFSAA Hub by the date specified in the current year playing regulations.

Qualification for OFSAA is as follows:

Each association shall be permitted to enter two teams and five individuals (who are not a member of one of the representative teams/schools) in each of the three classifications (Novice, Junior, Senior)

A team shall be comprised of no more than six (6) runners in boys' events and six (6) runners in girls' events. Of the potential six (6) runners registered, only five (5) runners may compete on race day. All registered athletes must pay the entry fee even if they do not compete.

A competitor must compete in the same age classification as he/she did at the Association meet. Para athletes must compete at their association meet either in a Para event (if the association has a Para Race) or in one of the other age classification events.

Any suspensions or disciplinary actions in Association play shall be carried forward into OFSAA competitions. The Association convenor shall be responsible for reporting such players and the nature of the disciplinary action on the OFSAA entry form.

5.8. QUALIFYING TO OFSAA

The first form you will need to ensure is completed and brought to the SOSSA meet is your Athlete Roster sheet. This form confirms that runners representing the school are OFSAA eligible. ALL runners can be placed on one form. You do NOT need to put them on 6 different forms for the age group they are in. That will be sorted by the HUB when you register them.

All coaches are required to submit a signed Supervision form to the Association Convenor. **ONLY** those teacher-coaches whose name appears on the form will be given the event package, which includes bib numbers, maps etc. If Supervision names change between Association meets and OFSAA, that school is to bring a hard copy with the revised information properly signed by the school.

Registration for your athletes who qualify for OFSAA will once again be done using the OFSAA HUB. This will require schools who qualify to register for the event and upload the forms needed. (AD and/or coach)
